Please read and sign the following Liability Waiver and include it with your knife in order to ensure that your Repair Request is processed.

At Benchmade we understand that people want to personalize their knives. Benchmade will still perform repair work on Benchmade knives which customers have customized by adding components not manufactured by Benchmade, or by substituting components not manufactured by Benchmade for original Benchmade manufactured components (“Modified Knives”). However, the following terms and conditions apply to all repair work performed by Benchmade on Modified Knives:

- ✂ Benchmade is not responsible for and will not cover damage to any Modified Knives, or any components of Modified Knives not originally manufactured by Benchmade, that occurs as a result of the aftermarket configuration.
- ✂ Benchmade will not sharpen any blades that were not originally manufactured by Benchmade.
- ✂ We reserve the right to deny service and/or sharpening for any Modified Knives that we deem unsafe or dangerous.
- ✂ Benchmade may charge a \$20 reassembly fee for repair work on Modified Knives.

I hereby release and hold Benchmade Knife Co., Inc., and its employees, officers, directors, agents and contractors harmless, for, from and against any and all liabilities, claims, causes of action and demands that arise in any way from any repair work performed by Benchmade on Modified Knives, or damage to any Modified Knives or any components of such Modified Knives. I understand and agree that Benchmade is not responsible to warrant or replace any Modified Knives, or any components of such Modified Knives, if damaged while in Benchmade’s possession for service.
